## Test Connectors

### General

Temperature [C°]	0°C...+50°C
------------------	-------------

### Dimensions

Length	38,50 mm
Height	20,00 mm
Wide	7,00 mm

### Mechanical specifications

Connection type	solder
DUT / Test item	MATenet JACK

### Electrical specifications

Continuous current	1,50 A
--------------------	--------

### Specifications inner contact

Continuous current 2	1,50 A
----------------------	--------

### Accesories

Mounting screws	ISO7379 F9/Ø3-M2X16
-----------------	---------------------
